SKILLS

- JavaScript | React | Bootstrap
- NodeJs | ExpressJS | MongoDB
- Git | GitHub | Figma

PROJECTS

• Parul Fabrics LTD (Fabrics Shop Management)

Technology : ReactJS | Bootstrap | NodeJS | ExpressJS | MongoDB

Features :

1. Efficiently track and manage fabric stock levels
2. Streamline the sales process by recording transactions, and maintaining a sales history for analysis.
3. Monitor and categorize expenses related to procurement, operations, and maintenance to maintain profitability.
4. Maintain a database of customer information, including purchase history and contact details.

• Local Luminaries (Tour Agency) - Running

Technology : ReactJS | Bootstrap | NodeJS | ExpressJS | MongoDB

Features :

1. Enable users to browse through a variety of tour packages, view detailed itineraries, and easily book their preferred tours online.
2. Provide users with the ability to customize their tours by selecting specific destinations, activities, accommodations, and transportation options to tailor the experience to their preferences.
3. Implement a transparent cancellation policy that allows users to cancel their bookings if needed, with clear guidelines on refund eligibility and processes.
